

SCHOOL WORKSHOPS

Across our two museums we offer a series of engaging pre-booked workshops led by our team of experienced facilitators and artists.

Creature Features

Find out about simple classification using our varied collection of animals in this hands-on workshop.

Key Stage 1

VG&M
VICTORIA GALLERY & MUSEUM

Animal Adaptations

Investigate how adaptations help animals survive in this interactive workshop, which includes handling real animal specimens and skulls.

Key Stage 2

VG&M
VICTORIA GALLERY & MUSEUM

Exploring Life in Ancient Egypt

Become an archaeologist and uncover the artefacts and beliefs of the Ancient Egyptians. Learn about the people behind the objects and prepare a mummy for the afterlife.

Key Stage 2

GARSTANG MUSEUM

Open Wide

Do our teeth have different uses? How do animal teeth differ? Find out through object handling, role play and a visit to our Victorian dentist's surgery!

Key Stage 2

VG&M
VICTORIA GALLERY & MUSEUM

Secrets in the Soil

Travel back in time 100 years to join Professor Garstang's archaeological dig. Become a time detective and uncover hidden artefacts, sort and record finds, write object labels and create an ancient clay letter.

Key Stage 2

VG&M
VICTORIA GALLERY & MUSEUM

Tile-Tastic

Using the Victoria Building's amazing tiles this session looks at the history of tiles, pattern, shape and symmetry. Students will also decorate their own tile.

Key Stage 2

VG&M
VICTORIA GALLERY & MUSEUM

Wonderful Waterhouse

Learn about architectural techniques and sketch part of a Gothic building, just like Alfred Waterhouse did in the 1880s.

Key Stage 2

VG&M
VICTORIA GALLERY & MUSEUM

Tiles, Trends and Terracotta

Discover the Victoria Building's different architectural styles through exploration, discussion and observational drawing, then design and make a tile of your own.

Key Stage 3
